Tick the box if the animals supplied detailed above fully comply with the West Country PGI requirements in respect of:

- Born, reared and finished within the West Country Region comprising of the six counties of Cornwall, Devon, Dorset, Gloucestershire, Somerset and Wiltshire
- Are no more than 12 months of age
- During their lifetime have been fed on minimum 70% forage based diet and have received a suitable period of grazing, typically 2 months. (Supplements may have been fed at weaning and finishing stage and ingredients and purchasing records have been maintained).

West Country Lamb PGI

I understand that information from my Farm Assurance assessment may be required to check the PGI eligibility of the farm and I hereby give permission for my contracted certification body and Red Tractor Assurance to provide that information to the PGI appointed compliance body if requested.

I hereby declare that as the owner /owners agent I have read and understood the **Food Chain Information, Farm Assurance Declaration, West Country Lamb PGI** and the **Special Conditions** on the reverse of this form and that to the best of my knowledge that the particulars shown on this form at the time of signing are true and correct.

SPECIAL CONDITIONS

To the best of my knowledge all the animals comply with the The Sheep & Goats (Records, Identification and Movement) (England) Order 2009 All home bred sheep born after 1st February 2003 must be tagged under hygiene regulations, any sheep slaughtered without a tag may not enter the human food chain, any sheep brought to South Molton without an ear tag will not be offered for sale. Any lambs or cull ewes sold for slaughter which lose their tag, if direct from holding of birth, will require a replacement tag before the animal can leave the market, for onward movement to the slaughterhouse.

I authorise the auctioneers to act on my behalf without any responsibility attached to this action in respect of ear numbers or movement documents.

The animals listed have come from a holding that has had no movement of FMD susceptible animals onto it in the previous 6 day's (other than permitted exceptions).

This Movement of sheep complies with all the relevant general licensing regulations as stated by the local authority. ALL sheep will need to travel with a completed AML 1 Sheep Licence with Section C – Destination Details entered as South Molton Market.

RICS CLIENT MONEY PROTECTION SCHEME

All financial transactions within this market are conducted with the Auctioneers acting as Principal. Sale proceeds are not paid into a client bank account and, consequently, the RICS Client Money Protection Scheme (CMPS) will not apply to protect the vendor.

FARM ASSURANCE DECLARATION

Sheep / Lambs have resided on farm assured holdings for the last 60 days . Failure to affix a sticker and complete the declaration will result in the animals being classed as non assured at the time of sale.

It is the responsibility of the vendor to provide true and complete details regarding farm assurance, in the case of any Farm assurance details provided by the vendor being incomplete or incorrect the purchaser of the lot/s may at their discretion lodge a claim, in which case the vendor will be liable.

FOOD CHAIN INFORMATION DECLARATION FOR CONSIGNMENTS OF ANIMALS FROM A MARKET TO A SLAUGHTERHOUSE

For each lot of sheep/goats listed on this document and for each holding from which they were consigned to the market, a declaration, signed by the keeper of the animals on each holding, has been received stating that:

- Sheep and goats on the holding are not under movement restrictions for animal disease or public health reasons (excluding a 6-day standstill).
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
- To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.
- No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

**If the animals do not fulfil all the above statements,
PLEASE RING THE OFFICE AT SOUTH MOLTON ON 01769 572042 or 01769 575245**
