## STORE HOGGETS

Nothing short of a blistering trade with all types of lambs extremely well competed for. Strongest short keep lambs sold to an exceptional £87.50 medium keep lambs topped at £76 and more could have very easily been sold. A large number of longer term smaller and harder bred lambs were forward and these found a trade full of confidence for the later end of the fat hogget season. If you have any lambs that are of lighter weights and a little too lean to sell in the fat the store ring is well worth it at the moment. More needed for the next sale to meet buyers demands.

## IN LAMB EWES

Quality counts here, well-bred white face mules sold to £142 for doubles. One run of note averaged £136 all the way through. Plainer older in lamb ewes found their trade but would not set the world on fire.

## LUDLOW MARKET FODDER SALE FRIDAY 26<sup>th</sup> JANUARY 2018

## STRAW

With a national shortage and the current wet winter straw was very closely followed selling to £33 a bale for small rounds of spring barley straw. If you have any straw to sell now is the time.
