21st September 2018

Dear Sir/Madam

**KNIGHTON MARKET – NEXT SALE OF STORE CATTLE (including BREEDING STOCK) AND
YOUNG FEEDING BULLS AND ORGANIC CATTLE TOGETHER WITH SECOND SHOW & SALE
STORE LAMBS – FRIDAY 5th OCTOBER 2018**

I write to invite your entries of cattle and sheep for the above auction and PLEASE NOTE ENTRIES WILL CLOSE THIS THURSDAY 27th SEPTEMBER 2018 AT 5.00PM. Please enter stock for the catalogue as it gives us a much better chance of attracting buyers not only through our mailing list but also through our website and social media sites.

Last Friday we had a small seasonal entry of store cattle which with the exception of one heifer were all sold. The young feeding bulls were an excellent trade and more are needed in Knighton this autumn. Steers and heifers were again a firm trade compared with the finished cattle trade and once again we had several stronger sorts.

At our regular Thursday sale last week we had 585 lambs sold on a reasonable trade which would be very similar to this time last year. The overall average was 169 pence per kilo. Some 306 cull ewes and tups sold to a top of £90 and averaged £43. Weighing and penning of sheep every Thursday from 7.30am.

I enclose a leaflet giving full details of our Autumn Weaned Calf Sales. With store cattle numbers in tight supply we are already receiving enquiries from growers who are looking for weaned calves.

Our third and final sale of ewes, ewe lambs and rams takes place on Tuesday 9th October 2018. Entries close at 5.00 pm on Monday 1st October 2018.

We have a 328 acre farm known as Cefnicalonog at Newcastle on Clun for sale by Informal Tender. Tenders close on Monday 1st October 2018. For details/viewing please contact Miss Katie Morris.

From 1 October 2018, BCMS will be introducing a time limit of 6 weeks from the date of issue, within which keepers can request replacement cattle passports free of charge. After this date, keepers will be charged £20 per animal for a replacement. Keepers are responsible for ensuring that they receive the cattle passports applied for and for informing BCMS if they have arrived. Therefore you must be careful to register the correct sex on a passport. If buyers have to change them after a sale the vendors will be responsible for the charge.

Yours faithfully

G R Owens
