SHEEP – 1131

Auctioneer – Clive Roads

What a difference a week makes! From the doldrums to a much brighter and spirited trade this week. To be fair a better show of lambs with regard to quality and full buying contingent made their presence felt. First quality lambs hit the heights at 214.0ppk and averaged a very creditable 182.0ppk. It just shows if the goods are right buyers will compete to the end!

CULL EWES – 662

Auctioneer – James Amphlett

A slightly sharper trade in the ewe section more numbers out and a genuine competitive demand.

Strong ewes to £100.00 average £51.86. With the ewe trade as difficult as it currently is please contact us before bringing large runs of ewes so we can discuss trade.
